As parent/legal guardian I have read and understand the following Library rules:

- Videos may be borrowed for 7 days and may be returned to any B&ECPL location.
- Overdue fines are \$2 per day/per title. Children's videos are \$1 per day/per title. Sundays and holidays are included.
- Entertainment videos are intended for home use only.
- Full retail price is charged for lost videos.
- The Library purchases a wide variety of videos, including R-rated titles some with mature themes and language or other characteristics which may not be appropriate for children. It is the responsibility of the Parent/legal guardian to supervise his/her child's selection of videos. The Library does not purchase NC-17 or X-rated materials.
- The parent/legal guardian is responsible for all selections.
- The Library is not responsible for any damages to electronic equipment incurred during the use of Library materials.

PARENTAL CONSENT FOR YOUTH INTERNET ACCESS

The Buffalo and Erie County Public Library (B&ECPL) provides public access to the Internet and personal computing resources. Parental consent is required before The B&ECPL will provide Internet access to any youth under the age of 17. To comply with the Children's Internet Protection Act and restrict access to online content that may be considered harmful to minors, the B&ECPL employs technology protection measures (filters) on all computers with Internet access. Users must be cautioned that filters are not foolproof and due to technological limitations cannot obstruct access to all potentially harmful or offensive content. The filters may not be removed for youth under the age of 17.

Parents/legal guardians have the sole right and responsibility to decide what is appropriate for their child. The B&ECPL does not act in loco parentis (i.e., in the place or role of the parent). Parents/legal guardians are responsible for the supervision of their child's Internet activity. Children who use the Internet unsupervised may be exposed to inappropriate or disturbing information and images. Parents must be aware of their child's use of the Internet and discuss what information is acceptable for him/her to view or read.

As parent/legal guardian I agree to the following:

- I understand that B&ECPL assumes no responsibility for Internet content.
- An adult must supervise children under age 6.
- My child must abide by the Library's "Rules of Conduct" and is expected to use the Internet and/or personal computing resources in a responsible and orderly manner. Failure to comply with the policies and regulations that govern the use of the Library's Internet access and personal computing resources may result in immediate suspension of library privileges and, where necessary, civil liability and/or criminal prosecution.
