

## OverDrive Downloadable Audio and Video

### **New Features Added!**

Two exciting new features have been added to the Library's OverDrive website. Star-rating support and user-defined lending periods are now available for downloadable audio and video. All you need is a valid B&ECPL library card!

#### **Star-rating support:**

Once signed in at the site, you can rate titles on a scale of 1-5 stars. If you have previously rated titles, you can review and, if desired, change or remove these ratings at the new 'My Ratings' page.

#### **Checkout period options:**

You now have more flexibility in the length of the checkout period for downloadables:

WMA Audiobooks and MP3 Audiobooks: 7-days or 14-days

OverDrive Video: 3-days, 5-days, 7-days or 14-days

You can set a personalized default checkout period for each format using the Lending Periods option located in My Digital Account. You can also override any previously specified checkout periods on a title-by-title basis at checkout.
