Introduction

The Central Library has hundreds of local high school yearbooks. They are shelved in the Buffalo collection in the Grosvenor Room and cannot be borrowed or removed from the room.

Because we do not have a budget for these increasingly costly publications, we rely on donations and on finding inexpensive second-hand copies. We do not have every year for every school. **If the yearbook you want is not listed, we suggest contacting the school to see if they have a copy.**

Many of the college yearbooks and alumni directories are stored in our closed stacks. They can be retrieved in minutes and the staff is happy to do so.

Though we are frequently asked, we are sorry to report that we do not own any elementary or grammar school yearbooks. We have learned that School #51 published a yearbook called the *Broadcaster*. The Buffalo and Erie County Historical Society has the years 1925, 1927, 1928, 1930-1931, 1933-1936, 1939, and 1946 (see last page).
