

HANDS-ON COMPUTER TRAINING

Family History Research with Ancestry Library Edition Database

An introduction to tracing your family's roots with Ancestry Library Edition (ALE), a database available at any Buffalo & Erie County Public Library location. Similar to the popular Ancestry.com website, this database contains collections of vital and original records, including those relating to birth, marriage, death, military service, and immigration.

Saturday, April 28th

10:00-Noon

Skill Level: *Advanced*

Requirements: *Mouse, typing, and Internet skills, flash drive (optional)*

Registration
required.
