Do you have what it takes to go for the gold? Winter weather got you feeling a bit stir crazy? Don't miss this chance to compete with your friends and peers in the indoor library winter games--hockey, curling, biathlon, and even figure skating have been modified for indoor wintertime fun! Participants will also leave with a engineering challenge to try at home—building the fastest mini bobsled. A brief overview and history of the Olympic games will be discussed. Who will be victorious? Could it be you? Ages 8 - 12
