## Spend Your September at the Library

2017 Marks the 30th Anniversary of Library Card Sign-up Month

September is an important month for libraries. During national library card sign-up month, we encourage everyone to get or to renew their library card.

We do this because we know how valuable a library card is, and not *just* because you can watch every season of *Games of Thrones* for free. The value of the library also lies in what we do *for* and *with* people. Libraries are on the forefront of providing equitable access to technology, educational programming, and community engagement.

Here at the West Seneca Library the staff, our Friends of the Library, Board members, and many regular patrons have built a community of lifelong learners and friends. We hope you will join us at one of our many programs this month!
