The Hon. Kevin Hardwick
Chair, Erie County Legislature Community Enrichment Committee
Old County Hall
92 Franklin Street, Fourth Floor
Buffalo, NY 14202

Dear Legislator Hardwick:

Library Director Mary Jean Jakubowski has brought me up to date regarding the happenings at yesterday's Community Enrichment Committee meeting.

Both she and I are unclear as to exactly what information is being requested of us from members of the Committee, and even if it is being requested by the Committee or individual Legislators.

Please clarify who is requesting the information - the Community Enrichment Committee or the individual Legislators. In addition, please provide in writing a clear description of the information being requested: dates, times, format, content, etc.

We appreciate your assistance in this matter.

As always, we look forward to working with you. Thank you for your time.

Respectfully,

Jack Connors
Chair, B&ECPL Board of Trustees
