INTRODUCTION

This guide is designed to assist persons researching Irish genealogy in the Grosvenor Room of the Buffalo and Erie County Public Library. Genealogical handbooks, guides, manuals, indexes to record compilations, atlases, maps, gazetteers, surname directories, passenger lists, newspapers, and church records serve numerous purposes and can prove to be invaluable resources to all researchers, regardless of their level of expertise. Most of the materials listed here deal exclusively with Irish genealogical research.

Nearly everything listed here can be found in the Grosvenor Room (GRO). Material in the Grosvenor Room does not circulate and cannot be removed from the room. In a few cases, there are duplicate copies of these books that can be borrowed from the Information Services Department.

Books are listed in call number order. Shelf locations are always subject to change.
