BOARD OF TRUSTEES BUFFALO & ERIE COUNTY PUBLIC LIBRARY MEETING DATE: 7/21/2016

AGENDA ITEM NUMBER: <u>E.2.c.</u> Budge

Budget & Finance Committee Financials for the Month Ending **05/31/2016**

BACKGROUND:

The attached report provides a summary of revenue and expenditure performance in the Library's Operating Budget for the year as of May 31, 2016 month-end. The report also details monthly activity for May. Overall, with 41.5% of the budget year elapsed, year-to-date Library revenue, at 86.4% collected, is well within budget and year-to-date expense, at 39.6%, is also within budget. Items of note include:

REVENUE:

- ✓ **Property Tax for Library Proceeds:** The full \$23,474,134 Library Tax allocation was booked to the Library Fund in January.
- ✓ **Initial New York State Library Aid payments normally occur in June-July.** Library aid payments are normally released by the State beginning two to three months after the State's budget is adopted. The initial payment represents approximately 90% of the total for the year. The Library's 2016 budget assumed state library aid at 2015's funding level. The enacted NY State 2015-16 budget actually increased library aid by 4.3% which, if distributed in the same manner as last year's increase, would provide an additional \$92,105 in the Operating fund and \$28,456 in the Grants fund. The state library will issue revised aid charts, probably sometime in the late spring-early summer.
- ✓ **Refunds P/Y Expenses** revenue represents reimbursable expenses occurring in the prior year for which reimbursements were received in the current year. The year-to-date amount is from contract library reimbursement of that portion of their 2015 salary and benefits covered by locally collected fine and fee revenue (payroll and benefits for all libraries' personnel is processed through the Library System, utilizing Erie County's SAP financial system). The amounts were credited after the cut-off for 2015 year-end accruals.
- ✓ **Refunds Contract Library** revenue represents a return of fine revenue collected by contracting member libraries in excess of local expenses of those libraries. The revenue is transmitted as part of the year-end closing process.

EXPENSE:

- ✓ **Salaries and wage expense running under budget.** Turnover contributed to the under-budget condition with year-to-date salary and wage expense consuming 39.0% of the budget.
- ✓ Fringe Benefit expense is running under budget at 37.2% overall.

Vacancies resulted in below budget charges for payroll taxes. Usage changes and negotiated increased employee contributions contributed to Active Employee Health insurance cost being under budget (and 1.7% under Year-to-date charges for the same period last year). NY State Retirement charges are also running under budget, reflecting a decrease in rates and the continued shift to the lower cost Tier 6 plan via turnover. Finally, the rate of growth in retiree medical charges so far this year continues to moderate, coming in at 40.7% of budget (and up 5.0% over the same period in 2015).

Active and retiree health insurance expense is subject to significant month to month swings due to changes in amount and type of usage by participants. For example, while as noted above the year-to-date totals for these accounts are within +/- 5% of 2015, expense for Active Employee health charged in the month of May 2016 was \$29,574 / 15.5% above the amount paid in May 2015. For retiree health, those amounts were \$24,209 / 23.7% above May 2015. We will closely monitor this situation.

- ✓ **Telephone and Internet Service charges show at 46.3**% **pending receipt of e-Rate reimbursements.** The federal e-Rate program covers up to 90% of eligible services in this expense category. While our Internet Access provider directly discounts this amount from our bill, our phone and data lines contractor, Time Warner Cable Business Class, processes e-Rate discounts on a reimbursement basis. Factoring in payment timing and anticipated reimbursements, these charges are expected to end the year within budget.
- ✓ **Contractural Payments to Member Libraries combined show at 80%.** The above budget variance results from the distribution of "bullet aid" sponsored by Senator Patrick Gallivan in 2015 to support the libraries within his district. The funding was received in early 2016.

Page 3 of 3

EXPENSE (continued):

- ✓ Insurance premiums shows at 67.0 %
 - Reflects timing of policy renewal payments, the account is expected to end the year within budget.
- ✓ Several remaining operating accounts above 41.5% reflect timing differences.

These accounts, including Office Supplies, Travel, Professional Services, Maintenance Contracts and Lab/Tech equipment reflect timing variations and are expected to end the year within budget.

✓ A mild winter and continued moderate rates again generate electric and natural gas savings.

Natural gas charges of \$61,507, came in at 36.6% of the 2016 annual budget, however they were 36.5% LOWER than the \$96,929 paid in January – May 2015. Electricity charges of \$182,996 came in at 25.8% of the 2016 annual budget and were 13.9% BELOW the \$212,573 paid in January – May 2015. The winter season's relatively mild temperatures reduced usage and rates remain moderate. This reduced the budget impact for both natural gas and electricity (as natural gas is used for both heating and electrical generation). Combined, interfund utility charges were \$64,999 (21.0%) BELOW those incurred for the same months in 2015. Some or all of the combined year-to-date savings may be offset by the warmer than normal temperatures experienced this spring and so far this summer. The Library participates in Erie County's aggregated utility purchasing pool which saves costs compared to retail pricing.
