### BOARD OF TRUSTEES BUFFALO & ERIE COUNTY PUBLIC LIBRARY MEETING DATE: 7/20/2017

#### AGENDA ITEM NUMBER: <u>E.2.c.</u>

Budget & Finance Committee Financials for the Month Ending **05/31/2017** 

#### BACKGROUND:

The attached report provides a summary of revenue and expenditure performance in the Library's Operating Budget for the year as of May 31, 2017 month-end. The report also details monthly activity for May. Overall, with 41.4% of the budget year elapsed, year-to-date Library revenue, at 86.9% collected, is well within budget and year-to-date expense, at 40.3%, is also within budget. Items of note include:

#### **REVENUE:**

- ✓ **Property Tax for Library Proceeds:** The full \$23,943,617 Library Tax allocation was booked to the Library Fund in January.
- Initial New York State Library Aid payments normally occur in June-July. Library aid payments are normally released by the State beginning two to three months after the State's budget is adopted. The initial payment represents approximately 90% of the total for the year. The Library's 2017 budget assumed state library aid at 2016's funding level. The enacted NY State 2016-17 budget maintained this level of support.
- Refunds P/Y Expenses revenue represents reimbursable expenses occurring in the prior year for which reimbursements were received in the current year. The year-to-date amount is from contract library reimbursement of that portion of their 2016 salary and benefits covered by locally collected fine and fee revenue (payroll and benefits for all libraries' personnel is processed through the Library System, utilizing Erie County's SAP financial system). The amounts were credited after the cut-off for 2016 year-end accruals.
- Refunds Contract Library revenue represents a return of fine revenue collected by contracting member libraries in excess of local expenses of those libraries. The revenue is transmitted as part of the year-end closing process.

### **EXPENSE:**

- Salaries and wage expense running under budget. Turnover contributed to the under-budget condition with year-to-date salary and wage expense consuming 40.4% of the budget.
- Fringe Benefit expense is running under budget at 38.5% overall. Vacancies result in below budget charges for payroll taxes. Usage changes and negotiated increased employee contributions contributed to Active Employee Health insurance cost being under budget (YTD costs are 3.2% above Year-to-date charges for the same period last year). NY State Retirement charges are also running under budget, reflecting a decrease in rates and the continued shift to the lower cost Tier 6 plan via turnover. Finally, retiree medical charges so far this year continue to moderate, coming in at 39.5% of budget (2.6% above the same period in 2016). Said expense is subject to significant swings due to changes in usage by retirees. We will closely monitor this situation.
- Telephone and Internet Service charges show at 100.2% pending receipt of e-Rate reimbursements. The federal e-Rate program covers up to 90% of eligible services in this expense category. While our Internet Access provider directly discounts this amount from our bill, our phone and data lines contractor, Time Warner (now Spectrum), processes e-Rate discounts on a reimbursement basis. Factoring in payment timing and anticipated reimbursements, these charges are expected to end the year within budget.
- ✓ Contractural Payments to Member Libraries combined show at 63.0%. The above budget variance reflects the contract provision that small dollar amounts are transmitted at the beginning of the year rather than quarterly in advance. Five of the six amounts at 100% are below \$2,000.
- ✓ **Insurance premiums shows at 75.2** %. Reflects timing of policy renewal payments, current services contracted in this account are expected to end the year within budget.
- Several remaining operating accounts above 41.4% reflect timing differences. These accounts, including Out of Area Travel and Professional Services, reflect timing variations and are expected to end the year within budget.

### **EXPENSE** (continued):

A mild winter helped counter higher Natural Gas rates to yield modest utility savings. Natural gas charges of \$89,654, came in at 60.3% of the 2017 annual budget, reflecting seasonality and significantly higher rates. This expense was 45.8% higher than the \$61,507 paid in January – May 2016. Electricity charges of \$200,036 came in at 29.2% of the 2017 annual budget. This expense was 9.3% higher than the \$182,996 paid in January – May 2016. The season's relatively mild temperatures helped, however rates increased significantly in 2017. Natural Gas supply rates for January-May 2017 averaged up 68.1%, while electricity supply rates averaged up 5.8% over the same period in 2016 (Natural Gas is one of several fuels and alternate energy sources used to provide electricity). Combined 2017 interfund utility charges of \$289,690 were below budget (34.8% of budget), however they were \$45,187 (18.5%) above those incurred for the same months in 2016. The Library participates in Erie County's aggregated utility purchasing pool, which saves costs compared to retail pricing.
