BOARD OF TRUSTEES BUFFALO & ERIE COUNTY PUBLIC LIBRARY MEETING DATE: 7/19/2018

AGENDA ITEM NUMBER: <u>E.2.f.</u> Budget & Finance Committee

Financials for the Month Ending 05/31/2018

BACKGROUND:

The attached report provides a summary of revenue and expenditure performance in the Library's Operating Budget for the year as of May 31, 2018 month-end. The report also details monthly activity for May. Overall, with 41.4% of the budget year elapsed, year-to-date Library revenue, at 88.0% collected, is within budget and year-to-date expense, at 39.8%, is also within budget. Items of note include:

REVENUE:

- ✓ **Property Tax for Library Proceeds:** The full \$24,422,489 Library Tax allocation was booked to the Library Fund in January.
- ✓ **Initial New York State Library Aid payments normally occur in June-July.** Library aid payments are normally released by the State beginning two to three months after the State's budget is adopted. The initial payment represents approximately 90% of the total for the year. The Library's 2018 budget assumed state library aid at 2017's funding level. The enacted NY State 2018-19 budget contained a 1% increase, totaling \$21,952. The State Library issued final aid tables in June, a budget adjustment is included for Board consideration at the July 19th meeting.
- ✓ **Refunds P/Y Expenses** revenue represents reimbursable expenses occurring in the prior year for which reimbursements were received in the current year.
- ✓ **Refunds Contract Library** revenue represents a return of fine revenue collected by contracting member libraries in excess of local expenses of those libraries. The revenue is transmitted as part of the year-end closing process.

EXPENSE:

- ✓ Salaries and Wages expense running under budget. Contract settlements with AFSCME and the Librarians Association were reached in late 2017, and with CSEA in early 2018. The above budget amount in the "Other Employee Payments" includes a one-time payment to CSEA members pursuant to that settlement. Funding to help support the settlements' cost is included in the "Contract Salary Reserves" account. Overall, year-to-date Net Personal Services expense consumed 40.5% of the budget.
- ✓ Fringe Benefit expense is running under budget at 39.1% overall. Usage changes and negotiated increased employee contributions contributed to Active Employee Health Insurance cost being under budget (at 32.1%, with YTD costs 15.7% below year-to-date charges for the same period last year). Workers compensation expense is running above budget due to medical procedure expense in February. Finally, retiree medical charges so far this year are also running below budget, coming in at 34.1% of budget (and 12.6% below the same period in 2017). Said expense is subject to significant swings due to changes in usage by retirees. We will closely monitor these accounts.
- ✓ **Highway Supplies (rock salt) show at 53.7%.** This relatively small account (\$14,000 annual budget) is very seasonal in nature with the next set of purchases taking place in the fall. Prolonged winter weather conditions this season required significantly more salt usage this year.
- ✓ **Telephone and Internet Service charges show at 109.7**% **pending receipt of e-Rate reimbursements.** The federal e-Rate program covers up to 90% of eligible services in this expense category. While our Internet Access provider directly discounts this amount from our bill, our phone and data lines contractor, Spectrum, processes e-Rate discounts on a reimbursement basis. Factoring in payment timing and anticipated reimbursements, these charges are expected to end the year within budget.
- ✓ Contractural Payments to Member Libraries combined show at 81.6%. The above budget variance reflects the contract provision that small dollar amounts are transmitted at the beginning of the year rather than quarterly in advance. The six amounts at 100% are all below \$2,000.
- ✓ **Insurance Premiums shows at 71.8** %. Reflects timing of policy renewal payments, current services contracted in this account are expected to end the year within budget.

BUFFALO & ERIE COUNTY PUBLIC LIBRARY OPERATING FINANCIAL REPORT AS OF MAY 31, 2018 – (41.4% of the Budget Year elapsed)

Page 3 of 3

EXPENSE (continued):

- ✓ **Several remaining operating accounts above 41.4**% **reflect timing differences.** These accounts, including Maintenance & Repair, Out of Area Travel, Maintenance Contracts, Lab/Tech Equipment, and Library Materials, reflect timing variations and are expected to end the year within budget.
- ✓ **Below budget Electric Utility costs helped counter the higher Natural Gas expense of a prolonged winter.** Natural Gas charges of \$103,571 came in at 70.3% of the 2018 annual budget, reflecting seasonality and prolonged winter weather. Expense was 15.5% higher than the \$89,654 paid in January − May 2017. Electricity charges of \$214,399 came in at 34.7% of the 2018 annual budget; however, they were 7.2% above the \$200,036 paid in January − May 2017. Natural Gas is one of several fuels and alternate energy sources used to provide electricity. Combined, 2018 interfund utility charges of \$317,970 were slightly above budget (41.5% of budget), however they were \$28,280 (9.8%) above those incurred for the same months in 2017. The Library participates in Erie County's aggregated utility purchasing pool which saves costs compared to retail pricing.

ACTION REQUIRED: None - Informational Report
