

Mobile Dome Planetarium

Tuesday, July 24th

2 Sessions to choose from: 5:00 pm or 6:00 pm

**This program is designed for ages 8 and up.
Family-friendly; adults are encouraged to attend.**

***The stars come to us as Mr. K of Ancient Eyes Productions brings
his inflatable dome planetarium to the library!***

***Explore the night sky as seen from your backyard. We will look
at things you can find in the sky like bright stars and
constellations, current moon phase and visible planets.
All these objects, plus more, can be seen in your sky tonight!***

**Grand Island Memorial Library
1715 Bedell Rd. 773-7124
Registration is required.**

Please choose which session you would like to attend when registering.

Funding for this program is provided by the Friends of the Grand Island Memorial Library.
