

# Paws for Love!

**Wednesday April 24, 2019 at 6 – 8:00 PM**

Reading to a therapy dog can be a fun learning opportunity for fluent and reluctant readers alike! Children often enjoy the experience of reading to a dog because dogs are excellent listeners no matter the content or pace of the reading!

**This program is for children ages 5-12.**

**Register to read beginning April 3, 2019!**

## **Read to a furry friend who loves to listen!**

Pick out a book and practice reading to our therapy dog!

Brought to us through the **SPCA's "Paws for Love"** program!

**Sign up for your personal 15 minute reading session.**

**Registration is required.**
