

Join us at the North Collins Library for

# The Recycling Regatta

**Wednesday, July 25<sup>th</sup>  
at 6:00pm**

**The Recycling Regatta is a version of Raingutter Regatta, a Cub Scout program in which participants build an air-powered boat and compete against one another to see whose is the fastest.**

**We will provide you with the recycled materials, you use your imagination to create the best boat that you can. Recycling Regatta is a fun, engaging, family-friendly activity and is open to all ages. Participants can compete as individuals or teams. Signups are in the library.**
