**Lexigo RUSH! Description:** In Lexigo RUSH, you have 60 seconds to find as many words as you can using the tiles in the grid. Be creative — only words no one else found will count. The stakes rise every round as score doublers are added to the grid.

Finding words in Lexigo RUSH:

1. Twisty Paths

Words are formed by making paths through the grid. You can start each word on any tile.

2. Reusing Letters

Your words can use the same letter tile more than once. However, you can't hop on the same tile to use it twice in a row.

3. Blank Tiles

Blank tiles can stand for any letter you want. However, if you use a blank tile more than once in the same word, it has to stand for the same letter each time.
