Horried Description: The stakes have been raised. Imagine living in a place so wretched that it's not plagued by one, two, or even three monsters — but seven of the most horrifying fiends!

In this game, you'll come face to face with them all as you work together to rid the town of the maniacal or misunderstood creatures...before it's too late.

Horried includes high-quality sculpted miniatures (Frankenstein, The Bride of Frankenstein, The Wolf Man, Dracula, The Mummy, The Invisible Man, Creature from the Black Lagoon). Its innovative, easy-to-learn, cooperative gameplay has players working together against the monsters with varying levels of difficulty. Just as each monster is unique, they require different strategies and tactics to be defeated.
