Throw Throw Burrito Description:

- From the creators of Exploding Kittens, Throw Throw Burrito is the world's first dodgeball card game!
- Try to collect matching sets of cards faster than your opponents while simultaneously ducking, dodging, and throwing squishy airborne burritos. The cards you collect earn points, but getting hit by flying burritos loses them.
- Clear some space and put away the antiques, because you've never played a party game quite like this before. Rack up points by finding sets of three in the deck. Find matches before anyone else does.
- Steal points from your opponents by hitting them with squishy foam burritos. Declare war on your friends, brawl it out with a neighbor, or duel to determine the winner.
- For 2-6 players. Includes 120 cards, 7 tokens, and 2 INCREDIBLY CUTE foam burritos soft enough to throw at your great-great Auntie Marlene without having to feel guilty!
- "Throw Throw Burrito is a delightful mixture of cleverness and agility. It's like Uno meets Nerf." according to Marlene Huffincobble, your great Auntie and Burrito Enthusiast.
