Plunder Description: Adventure and riches await any swashbuckler brave enough to take the helm and command a fleet. Wage war against rival captains. Build and upgrade your ships with masts and cannons to increase speed and firepower. Conquer islands and exploit the land to gain valuable resources. Navigate dangerous waters and avoid the ever-wandering storm. Are you ruthless enough to prevail? Do you seek gold and infamy? If ruling the seas is your ambition, it's time to unleash your inner pirate. It's time to plunder!

Plunder: A Pirate's Life is a competitive, strategy-based gateway game played on a modular ocean map. The goal is to gain ten Plunder Points. Plunder points are obtained by conquering islands, sinking enemy ships, and burying treasure. On your turn, draw one Resource card for each island you own. Trade and manage your resources (wood, iron, rum, gold) to build and upgrade your fleet using miniatures and pegs. Ships sail the open map via roll and move. Battle enemy ships and conquer islands via dice combat. Game also features team play.
