Ages: 10 and Up

Play Time: 30 minutes

Forbidden Island Description: Forbidden Island is a visually stunning cooperative board game. Instead of winning by competing with other players like most games, everyone must work together to win the game. Players take turns moving their pawns around the 'island', which is built by arranging the many beautifully screen-printed tiles before play begins. As the game progresses, more and more island tiles sink, becoming unavailable, and the pace increases. Players use strategies to keep the island from sinking, while trying to collect treasures and items. As the water level rises, it gets more difficult- sacrifices must be made. Dare to discover Forbidden Island! Join a team of fearless adventurers on a do-or-die mission to capture four sacred treasures from the ruins of this perilous paradise. Your team will have to work together and make some pulse-pounding maneuvers, as the island will sink beneath every step! Race to collect the treasures and make a triumphant escape before you are swallowed into the watery abyss!
