Ages: 8 and Up

Play Time: 30 minutes

**Parcheesi Description:** Each player has a set of pawns that start in his or her corner of the board. The goal is to move the pawns around the board to the "home" section. Movement is controlled by dice. All players move around the same board, so they may capture each other's pawns. Captured pawns are returned to their player's corner and must start their journey over. The winner is the first player to move all pawns "home".
