Play Time: 10-15 minutes

Smack It Description: A combination of *War* and *Slapjack*. Players place cards on the table, then duke it out War-style when a challenge card comes up, or try to slap the pile when a Smack It card comes up. Whoever has the highest card for a challenge, or is the first to slap the pile on a Smack It, gets the pile. Players who run out of cards are out of the game. As a twist, eliminated players may slap card piles to remove cards from play completely.
