Clue Junior The Case of the Broken Toy Images, Video Links & Play Information

Clue Junior: The Case of the Broken Toy: It's the case of the broken toy in this classic "whodunit" game for kids. In the Clue Junior game, players are on a mission to discover which toy is broken, who broke it, and when they did it. As players find clues, they eliminate choices and eventually discover what happened.

- Clue game with a twist for younger kids
- Players discover who broke your favorite toy
- Detective sheets help players keep track of clues
