Clumsy Thief in the Candy Shop Images, Video Links & Play Information

Clumsy Thief in the Candy Shop: From the creators of the original, award-winning *Clumsy Thief* game, this hilarious version has players snatching candy stacks that add to 20. All candy is up for grabs in this fast-paced card game. Strategy, addition skills, luck and a great sense of humor are required.

HOW TO PLAY: Players make candy stacks from their dealt cards. Take a players' stack if you have a card that makes 20 when added to the top card of their stack. But that's just the beginning! Thief cards steal candy cards. Jail cards stop thief cards. In the end, the player with the most candy cards wins.
