Cranium Doodle Tales Description: From the publisher:

Get your pencils ready for a game of creative fill-in-the-picture fun. Combine silly sketches with imaginative captions to get everyone laughing like crazy!

Draw the missing parts of funny photos, then swap to create wacky captions for each other's creations. Everyone takes turns being the judge, awarding points to the players with the silliest drawings and most creative captions.

After the game, you can even showcase your one-of-a-kind masterpieces with an outrageously cool magnet that comes with the game!
