Ages: 10 and Up

Play Time: 60-90 minutes

First Martians: Adventures on the Red Planet Images, Video Links & Play Information

First Martians: Adventures on the Red Planet: Built on the core of the award-winning Robinson Crusoe: Adventures on the Cursed Island, First Martians: Adventures on the Red Planet pits players against the hostile Martian environment and a whole host of new adventures and challenges. The immersive experience is further enhanced with an integrated app that maintains the balance and challenge throughout. Players have the option of taking on the design as a series of separate games, in a custom campaign mode in which each successive game builds on the last.
