Pick Your Poison: Pick Your Poison is a card game of unbelievable what would you rather do scenarios.

Three or more players compete to create the hardest scenario possible by combining two Poison Cards (300+ included).

Everyone anonymously “Picks their poison” – After the reveal, find out who was “right” and who is just as messed up as you thought.

- 1) SELECT TWO SCENARIOS: The Judge expands on them by answering the players' questions.
- 2) PICK YOUR POISON: Players anonymously pick the Poison card they would rather do.
- 3) REVEAL THE VOTE: The Judge wins if the vote is a tie, players win if they agree with the majority.
