***Note: Two games have been put together for team play**

Number of Players: 2- 5 Players (Best: 4-5)

Ages: 7 and Up

Play Time: 15 minutes

Speed Stacks Description: The aim of Crazy Cups is to stack the speed cups in stacks of varying heights and then take the stacks back down such that the cups are stacked neatly back into each other. It is essentially a game of dexterity and you are aiming to beat either your best time to do a particular routine or the time that was set by the other people playing it with you.
