Up The.....Corporation Game Description: The party game ***Up The.....Corporation Game*** was designed to take an irreverent look at the corporate office environment. Everyone who has ever worked in an office will recognize the “employees” in this game, as they will have met their counterparts.

The situations presented are actual experiences with incompetent management, office politics, corporate rules, unending meetings, nepotism, discrimination and dysfunctional office workers.

However, don't get the wrong idea, this game isn't work! IT'S FUN!!! You can vent all of your frustrations and laugh at just how ridiculous the corporate environment has become.

Once a player has won a pre-determined number of *Description* cards, that player wins.
