Wits & Wagers Family Images, Video Links & Play Information

Wits & Wagers Family: Wits & Wagers Family is the family version of the most award winning party game in history. This edition is simpler, has less down time, and is more portable than the original Wits & Wagers. It also removes the "gambling" element and has questions that are appropriate for kids and the whole family. Most importantly, Wits & Wagers Family makes use of the beloved Meeple playing piece!
