

## **Silly Animals 4Up!**

### 4Up! Silly Animals Card Game

1) Deal 4 cards to each player and lay 4 cards out on the table. Take turns matching cards from your hand with cards on the table.

AND/OR

2) Add math and you've got a challenge game perfect for kids 5 and up. Deal 4 cards to each player and lay 4 down. Match 1 card in your hand with 1 or more cards on the table that add up to the number of the card in your hand. For example, if you have a 9 in your hand you can pick up a 9 from the table or you can pick up a 7 and a 2 or a 5 and a 4 or any combination that adds up to the number of the card in your hand. The player with the most cards wins!
