

**Description:**

Be on the lookout for creatures of the land, sky, and sea with Spot it! Jr. Animals. Blue Orange adapted this smash hit game for kids under 7. Each card has 6 different animals of varying sizes. Here’s the amazing part: there is one, and only one, matching animal between any 2 cards. Spot it to win!

Little ones will love spotting over 30 colorful animals and making all their sounds! Mix it up as there are 5 different ways to play. In each mini game you try to either gain all the cards or get rid of all of yours. Easily adaptable to age and ability, the game can be played competitively or cooperatively.

The variety of images will challenge all ages, and the attractive round tin travels easily in a car, a backpack, or even a pocket. With colorful animals and brilliant game mechanics, it will quickly become your family’s favorite!

**Game facts:**

Ages: 4 and Up  
2 to 6 Players

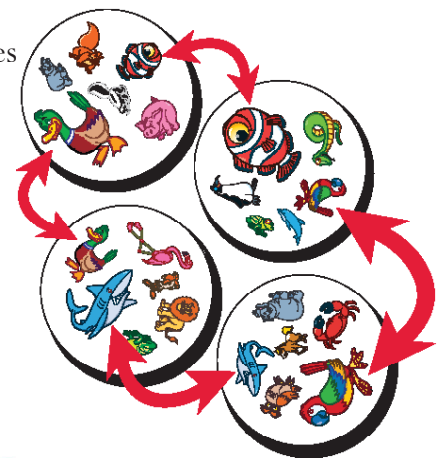

**Skills developed in this game:**

Spot it! Jr. Animals develops visual perception skills and focus. It strengthens cognitive speed and requires rapid speech recall. Manipulating the cards works on fine motor skills as well.
