Hedbanz Headrush: A family party game, based on the original *Hedbanz* game. The quick question game of "what am I?" that leaves everyone guessing. This version is played in two teams. The fastest team wins.

Hedbanz Description (Adults): The quick question game of "what am I?" that leaves everyone guessing. Ask questions to figure out if the card on your head is a person, place, or object. But be smart, after all it's Hedbanz for adults. Are you a famous person in history? Maybe an object found in the kitchen? In this hilarious adult version, the first player to accurately guess what he or she are wins. Adults need to have fun too. And Hedbanz is the game where everybody knows but you. Let the good times roll with Hedbanz.
