

Hedbanz Headrush Instructions

Object: Be the first player to get rid of all your chips!

Set Up:

- Shuffle and place the 48 Picture Cards face down in the center of the playing area. Place the three sample Question cards to the side.
- Each player takes a headband and adjusts it around their head. Make sure the Hedbanz logo is above your eyebrows and centered on your forehead.
- Deal one Picture Card face down to each player.
- Without looking at the picture side of the card, players insert their card into the clip of their headband so all the other players can see the picture.
- Deal three chips to each player. Any remaining chips become the “bank.”

How to Play:

- The youngest player goes first. Then, play passes to the left.
- On your turn, flip over the timer and ask each of the other players a “Yes” or “No” question that will help you identify the picture on your head.
- Hint: Start by asking one of these three basic questions: “Am I an animal?” “Am I food?” “Am I a thing?”
- Then, refer to the Sample Question Card for each of these questions for suggestions on what you can ask next. You can ask any “Yes” or “No” question. You CAN’T ask “What am I?”
At any point you may ask “Am I a...?”
- If you guess the Picture Card on your head before the timer runs out, draw another Picture Card and put it in your headband (remember not to peek). Continue asking questions until the timer runs out.
- If the timer runs out before you guess your card, your turn ends. Leave the card in your headband and continue asking questions on your next turn.

Scoring:

- For each Picture Card you guess correctly, give one of your chips back to the bank.
- At any point during your turn you can give up trying to guess and draw a new card. If you do, you must take one chip from the bank and add it to your pile.

Winning: The first player to get rid of all their chips is the winner!
