**Monopoly Pizza Game:** In *Monopoly Pizza Game*, players move around the game board trying to buy as many types of pizza as they can, from pepperoni to spinach to mushroom. Instead of buying properties or collecting rent, players aim to collect a color set that corresponds to a type of pizza, such as veggie lovers, barbecue chicken, or even mac and cheese. A full set of flavors combines to make an awesome new pizza, giving those cards a higher value.

At the end of the game, the player who collects the most pizza slices wins!
