

Murder Myster Party: The Night Hunter Game – Reset Guide

WARNING: SPOILERS!

This is the order of all the documents and evidence from top to bottom, so you can pack up your box to pass it along to someone else.

NOTE: The items inside the envelopes are listed how you would stack them normally. When you insert items into the envelopes, make sure all the documents are facing down towards the back of the envelope. This is to prevent the frontside of documents from possibly being damaged by the sticker.
