Pandemic Hot Zone North America Images, Video Links & Play Information

Pandemic Hot Zone North America: Disease threatens North America and only you can stop it! In Pandemic: Hot Zone – North America, players work together against the game to discover cures for three deadly diseases that threaten the continent. Travel to different North American cities to treat local populations, prevent outbreaks, and share research with your team. Can you discover the cures before it's too late?

Hot Zone – North America is a shorter, more portable version of the best-selling cooperative game Pandemic. Check out Pandemic in our collection!
