## Really Loud Librarians Images, Video Links & Play Information

**Really Loud Librarians:** In Really Loud Librarians, your useless knowledge will win you useful points.

Think fast, not hard in this merciless word-shouting board game. Start by drawing a category card. Your team will then shout words from that category that begin with the letter on the race track. Move along the track every time you get a word right and race against your opponents to win. This is a simple game for versatile occasions. Play it as a two-player game for a casual night-in or bring it along as a party game for big groups.
