**Wrong Party:** Consider this your invitation to Wrong Party! In this delightfully quirky draft-style card game, compete with your friends to create the GGLOAT—that is, the Greatest Guest List of All Time—by choosing from a variety of mismatched characters and party themes. Will you host the perfect party or kill the vibe?

What happens when you invite a Baby, your Dentist, a Drug-Sniffing Dog, and a Mall Santa to Slay a Dragon? And what Murder Mystery Party would be complete without a Proud Mom of an Honor Roll Student and a Cult Leader butting heads? If the front row of your Royal Wedding doesn't feature a Killer Clown, are you really doing it right?

In Wrong Party, players earn points by matching a wide range of characters to different Party Themes while actively sabotaging their opponents. Send cards to your Party Area or Uninvited Guests pile, and then pass on the rest of your hand to the next player. Once your Party Area is full, it's time to count up your points. The player with the most points after 3 rounds wins the game. Don't let your party flop!
