Three to four artists will work over the course of five days to create a massive, immersive temporary drawing.

All are invited to see the artists at work. The installation will be completed on Thursday, August 21. The installation will remain on view until Friday, August, 29, 2014.

The Albright-Knox Art Gallery is recognized as one of the world's leading collections of contemporary and modern art. With more than 6,500 works in its Collection and a dynamic series of exhibitions and public programs, the Albright-Knox continues to grow and to fulfill its mission to acquire, exhibit, and preserve contemporary and modern art in an enriching, dynamic, and vibrant environment.
