

LIBRARY 2025

ANNUAL REPORT OF THE DIRECTOR

Profoundly
PUBLIC.

Message from the Library

Thank you for your support of the Buffalo & Erie County Public Library.

This year's Annual Report is dedicated to Library Director John Spears who lost his hard-fought battle with cancer in July 2025. Only here for three years, John's inspiration lives on. He truly loved Buffalo and, of course, he loved libraries. John was a tireless advocate for libraries and everything we stand for as welcoming, inclusive, and dynamic civic spaces. Last year, Erie County residents borrowed 7.1 million items, attended 358,000 programs, and logged 827,000 WiFi sessions across 37 branches — all free. The total retail value of those services: \$131 million against \$31 million in public funding, which translates to your libraries returning \$4.24 in services for every public dollar invested.

Behind those numbers was a year of deliberate, visible action designed to promote libraries. The Buffalo & Erie County Public Library launched its ***"Profoundly Public"*** system-wide rebrand — a declaration of our advocacy for intellectual freedom. We took our message to the streets — on radio, in newspapers, movie theaters, buses, and billboards. The "Changed It All" campaign featured Wolf Blitzer, Ani DiFranco, and over a dozen other Buffalonians sharing the book, music & movie titles that shaped their lives. We hosted *In Conversation* with award-winning journalist (and Buffalo native) Margaret Sullivan and author Susan Orlean as book challenges nationwide hit record levels.

We also began reimagining Central Library — our downtown anchor at Lafayette Square — through a community-driven Space Utilization Study to begin envisioning how to better serve Buffalo tomorrow.

Nearly 200 years in, the Buffalo & Erie County Public Library's commitment hasn't changed: open access, free inquiry, and supporting your right to read. Thank you for your trust, support, partnership, and belief in the power of public libraries!

Thank you for your support!
