Buffalo & Erie County Public Library (B&ECPL) provided an inclusive and accessible atmosphere at all of its locations. Staff was trained in serving persons with disabilities and diverse populations. A Sorenson videophone was added to the Assistive Technology Room (ATR). Notably, this videophone is 1 of only 3 in Erie County available to the general public. Bookmobile service provided a traditional materials collection, free WiFi and laptops for public use. The vehicle made regular stops in underserved areas, and at senior service facilities and youth group centers. It was also used for B&ECPL promotion and library card sign-up at community events throughout Erie County. B&ECPL's Adult Programming Team reached out and collaborated with community organizations, educational institutions, and in-house partners, Literacy New York-Buffalo Niagara, Project Flight, Young Audience of Western New York, and new in-house partner, Restoration Society, Inc. (RSI). RSI serves individuals with primary mental health diagnoses and provide a wide range of supportive services. Partnerships focused on library services related to literacy, economic development and job placement. The Central Library hosted 4 job fairs in 2018; 2 with the Erie County Office for People with Disabilities; and participated in job fairs offsite throughout Erie County. Central Library hosted a monthly Wellness Wednesday program and sponsored a variety of programs on health-related topics. B&ECPL's Children's Programming Team coordinated system-wide programs, including participation in the New York State Summer Reading Program and the 20th B&ECPL
Battle of the Books. Sensory Story Time was offered for children on the autistic spectrum.

The Buffalo & Erie County Public Library (B&ECPL) provided library service to those incarcerated at New York State Correctional Facilities at Collins, Gowanda, and Wende including but not limited to: interlibrary loan and delivery, reference and consultant services, membership in the Western New York Library Resources Council (WNYLRC), and the purchase and delivery of new materials.

14. **Summary of Library System Accomplishments**

Using the goals from Section 4 in the approved 2017-2021 System Plan of Service, **BRIEFLY** describe the final results of each element for Year 1 (2017).

14.1 **Element 1: Resource Sharing** - """"[Cooperative Collection Development: Develop and maintain relevant traditional, electronic, and digital collections that reflect and support all B&ECPL libraries and their diverse communities.] The centralized Collection Development Team orders print, media, and downloadable materials for all Buffalo & Erie County Public Library's (B&ECPL) libraries using System funds. In order to procure items that appeal to users and fulfill the B&ECPL mission, the team maintains close contact with contract library staff. Contract libraries are asked for feedback regarding topics, formats and quantity of materials ordered. Collection Development staff visited 8 contract library locations to discuss how resources were being allocated to those locations and what improvements could be made. Staff suggested 586 titles (69% were purchased). Contract libraries were provided funding for local collection development. Eight "checklists" of pre-selected titles on a wide range of topics were provided to facilitate ease of acquisition and to expedite cataloging and processing. Circulation totaled 6,519,861. Statistics and data on the number of holds placed were utilized to identify areas of demand. The demand for eBooks and eAudiobooks continued to increase. 14,831 volumes of eBooks and 2,975 eAudiobook volumes were added. Patrons were encouraged to submit suggestions directly to the Collection Development Team through a form on the B&ECPL website. 7,317 suggestions were received (67% were purchased). [Integrated Library System: Implement, maintain, and enhance a next-generation Integrated Library System.] Through its contract with SirsiDynix, the Buffalo & Erie County Public Library (B&ECPL) had several Integrated
Library System (ILS) accomplishments, including but not limited to: upgrade of the public Enterprise catalog from version 4.5.0.1 to 4.5.1, update of Web Services to 2018.03, and multiple catalog enhancements. Enhancements to the My Account feature improved display of account information and the ability for patrons to directly edit their contact information. Fewer than 20 questions, concerns, and suggestions were submitted via the public "Tell us Your Feedback" contact form, a decrease of approximately 70% from 2017. Staff was surveyed regarding the changes Enterprise offers in comparison to previous catalog. Of the 37 responses, 62% ranked their satisfaction as a 4 (out of 5) and 16% ranked their satisfaction as 5. Enhancements to SirsiDynix Symphony aimed at reducing patrons' frustrations or "roadblocks." The number of renewals for most physical materials increased to 3. Library card expiration was eliminated and "new" patron accounts in good standing now automatically upgrade to full library cards after 6 months. The use of MobileCirc was extended to 4 additional contract libraries to enable immediate offsite library card registration. The SirsiDynix BLUEcloud Analytics (BCA) tool delivered an additional set of reports, including tracking interlibrary loan checkouts via the ILS and the creation of email subscriptions to alert staff when certain library card and item issues occur. Staff was surveyed about their satisfaction with BCA; of those who responded 45% rated it a 5 (out of 5) 38% rated it a 4. [Delivery: Provide timely and efficient delivery via System vehicles.] Transport of all library materials, including new material and items to fill patron holds, is done through the B&ECPL Shipping Department which operates out of the Central Library. In addition, Interlibrary Loan (ILL) requests from outside the B&ECPL are delivered via the Shipping Department. An average of 218 delivery stops were made per week. Depending on the location of the material requested and the delivery destination, materials requested from the B&ECPL catalog are available to the patron on average between 24-72 hours of the request. [Interlibrary Loan: Maintain efficiency and improve awareness of ILL services.] Interlibrary Library Loan (ILL) use increased exponentially with 3974 items loaned and 5038 items borrowed (a 166% increase in lending and 7.17 % in borrowing from 2017). The Buffalo & Erie County Public Library (B&ECPL) joined the OCLC ILL group Libraries Very Interested in Sharing (LVIS). LVIS represents the first global OCLC no charge Resource Sharing Group agreement. Benefits of LVIS include but are not limited to: greater work flow efficiency and streamlined transactions and a broader geographic ILL library scope with interstate and international resource sharing. B&ECPL also expanded the loanable items by loaning items from the B&ECPL's 8 Buffalo Branch libraries. These changes made B&ECPL a net lender for the first time in 14 years in October 2018. [Digital Collections Access: Develop and maintain a digital collections website and enhance digital discoverability.] Five digital collections were added bringing the total of digital collections to 32, with a use of 399,382 (60% increase from 2017). Staff was surveyed regarding awareness of and satisfaction with digital collections. Of the
14.2 Element 2: Special Client Groups - Results

"""[Adult Literacy: Create a lifelong learning environment where adults can reach a level of literacy allowing them to achieve their personal, family, and work goals through education, empowerment, and engagement.] System-wide adult tutoring and adult literacy programming totaled 2,510 with 5,319 attendees, including 2,186 one-on-one programs for 2,187 attendees and 324 group adult literacy programs with 3,132 attendees. These statistics include adult English for Speakers of Other Languages (ESOL) programs. The majority of the programs were offered through B&ECPL partner Literacy New York-Buffalo Niagara, and through several public school districts. Adult digital literacy programs totaled 1,662 with 2,447 attendees. There were 135 group programs with 802 attendees and 1,527 one-on-one programs with 1,645 attendees.

[Coordinated Outreach: Partner with Member Libraries, government agencies, and community organizations to provide services and programming to Coordinated Outreach populations as defined by New York State Education Law A 273 (1) (h) (1).] Outreach efforts resulted in 518 programs with 31,442 attendees. Two health fairs were presented, each attracting over 300 participants. Thrive!, a health fair for older adults offered free health screenings including hearing, bone density, blood pressure, cholesterol and BMI; and information from over 40 organizations. The fair drew attendees from zip codes identified by the Erie County Department of Health with the greatest health disparities. The Central Library hosted the 6th Annual Mental Health Awareness Informational Fair and Flash Mob, with over 30 organizations offering diagnosis, treatment and support, and providing information and referrals. Wellness Wednesdays held monthly at the Central Library brought relevant health information in a format that enhanced health literacy and connected approximately 30 individuals with outreach agencies each month.

The Buffalo & Erie County Public Library (B&ECPL) collaborated with a new in-house partner, Restoration Society, Inc. (RSI). RSI serves individuals with primary mental health diagnoses and provides a wide range of supportive services. The Erie County Health Department's Opiate Task Force provided the public training sessions for opiate overdose recognition and naloxone reversal. Naloxone was distributed to individuals completing the training. A Sorenson videophone was added to the Assistive Technology Room (ATR). This videophone is 1 of only 3 in Erie County available to the general public. ATR usage averages 25 two-hour sessions per month primarily for access to the PC workstation. [Deliver library services to underserved populations with the bookmobile and associated mobile outreach efforts.] The Bookmobile visited 11 senior living centers monthly and made 8 bi-weekly stops to towns that do not have a physical public library building. The Bookmobile also visited 4 charter and public schools on a monthly basis.
Programs totaled 30 with 1,453 attendees. There were 11,402 visits to the Bookmobile, 12,934 items circulated from the Bookmobile, 31 computer sessions, and 1682 WiFi logins. The Bookmobile was "open" 900.25 service hours. [Partner with Member Libraries, government agencies, and community organizations to provide services to the unemployed/underemployed.] The Central Library Adult Services Team's Job Outreach Program attracted over 1,950 participants. Four job fairs were held at the Central Library; each connected job seekers with over 36 employers and organizations. The Buffalo & Erie County Public Library (B&ECPL) worked with the Erie County Office for People with Disabilities for 2 job fairs focused on job placement and services to individuals with disabilities. Two job fairs were held in the Buffalo Branches connecting approximately 105 patrons with 7 local businesses. Staff also participated in 8 offsite job fairs. Classroom training and tours were offered for almost 250 job seekers, in partnership with The Service Collaborative of Western New York, Veterans One-stop Center of WNY, the NYS Department of Labor, Erie Community College and the Buffalo Public Schools Adult Education Program. B&ECPL staff attended Buffalo Stand Down, an outreach event for veterans seeking resources in literacy, searching for employment or starting a business. The Buffalo Branches offered programs/tableting opportunities on starting a business and training job seekers, in partnership with NYS Department of Labor, Western NY Law Center, Three 2 Go Music Alliance, and Riverside Business Association in conjunction with the Small Business Association. A total of 26 sessions were held with 211 attendees. B&ECPL surveyed attendees using the Project Outcome Job Skills Survey, which measures the impact of services designed to improve the skills needed to find and apply for jobs and advance careers. 83 survey responses were collected. Of those who agreed or strongly agreed that they benefited from the service or program: 95% felt more knowledgeable about the job-search process, 96% will use what they learned in the job-search process, 94% felt more confident about the job-search process, and 96% were more aware of resources and services provided by the library. The Central Library's Adult Services Team continued its work with business development agencies, chambers of commerce and not-for-profit organizations that offer assistance to individuals starting or running businesses in Erie County. Six programs were conducted at the Central Library with 143 attendees. Seven additional programs were held with external partners at outside locations with 602 attendees. B&ECPL staff distributed surveys to program participants to collect data and insights about how library economic development services and programs are supporting community needs. B&ECPL surveyed patrons using the Project Outcome Economic Development Survey, which measures the impact of services designed to improve business start-up and development skills. 241 survey responses were collected. Of those who either agreed or strongly agreed that they benefited from the service or program: 96% felt more knowledgeable about what it takes to establish a business, 97% intend to apply what they learned, 97%
felt more confident about establishing a new business, and 97% were more aware of resources and services provided by the library. [Ensure library accessibility and appropriate resources for immigrants, refugees, and new learners of the English Language.] English for Speakers of Other Languages (ESOL) programming totaled 1,395 programs with 7,614 attendees. This included 901 one-on-one programs with 902 attendees and 494 group programs with 6,712 attendees. 72 graduates of the Buffalo Public School Adult Education, English as a New Language program were introduced to library resources. The Buffalo & Erie County Public Library (B&ECPL) was a recipient of American Library Association (ALA) and Dollar Generals' American Dream Grant. The funds were used to create a Cyber Caravan which took technology and library resources to B&ECPL partner's (Journey's End Refugee Services, Inc., Jericho Road Community Health Center and Buffalo State Community Academic Center) offsite locations 21 times, reaching 157 individuals. Six computers, a projector, wireless printer and mobile hotspot enabled staff to introduce immigrants and refugees to new computer skills, English language and citizenship tests resources, employment resources, and other electronic resources. [Correctional Facilities (State and County): Provide services to incarcerated populations and reach out to agencies working with individuals recently released from prison.] Circulation at both the Erie County Correctional Facility (ECCF) and Erie County Holding Center (ECHC) totaled 177,532 items, an increase of 11.42% increase from 2017 (157,249 items), despite a 40% decrease in inmate population. Educational staff at the ECHC continue to utilize library materials for group discussions and writing exercises. Additionally, resume packets remain popular; inmates requested 50 packets and received assistance in preparing a resume to have upon release.
