Public Access Computer Statistics Footnotes 2005

Youth Resource Center computers were added to all locations during Fall 2001.

These computers do **not** require registration before use and are not tracked in these statistics. Therefore, juvenile computer use statistics are underreported.

2006

2006

System-Wide: Many units have an increased number of public access workstations due to

reallocation of equipment from permanently closed libraries.

Several libraries reduced operating hours in 2006 due to budget cutbacks. These reductions are in addition to service hour reductions that occurred in January 2005. Fewer service hours affected public computer use at many

libraries.

Lackawanna: Closed 12/30/2006 due to a water main break.

<u>2005</u>

SYSTEM-WIDE: 2005 budget reductions had a negative impact on circulation activity throughout the

B&ECPL. Refer to January 2005 circulation report for details of service hour reductions at individual locations. Library materials purchasing was severely curtailed, which

adversely impacted circulation as well.

Greenhaven: Permanently closed on 10/1/2005.
South Cheektowaga: Permanently closed on 10/1/2005.
West Falls Library: Permanently closed on 10/12/2005.
Fairfield Branch: Permanently closed on 10/14/2005.
Mead Branch: Permanently closed on 10/14/2005.
