96	I have been an avid library user since I was a child and I see the donation as a small payment for the money I save by borrowing rather than buying materials. I also hold an MLIS and used to work in libraries, so I have some knowledge about the gap between funding and what libraries want to do and offer to the community.	8/29/2023 12:27 PM

99	I just love libraries and my kids and I get a lot out of Overdrive / Libby.	8/29/2023 12:20 PM
100	I read quite a few books a year and I can't afford to buy all the books that I read. So my donation is just a fraction of what I would spend if I bought all the books I read. It helps ensure that not only I, but anyone can read books for free.	8/29/2023 12:18 PM
