

Vote for a special library card design

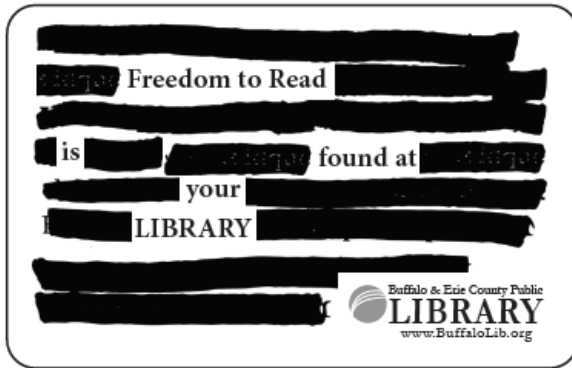

Let's celebrate the freedom to read.

This fall, Buffalo & Erie County Public Libraries will unveil a new, limited edition library card as part of a national campaign designed to fight book bans and censorship while protecting your access to all books.

Please help us to select one design for a new library card to add to our existing library card designs.

Note: Designs may appear stretched or reduced in size on mobile devices. The actual library card size is 2- 1/8" x 3- 3/8" with rounded corners. Library cardholders will not be required to get a new card.

* 1. Vote for your favorite design.

2. If you have any additional comments, please add them here.

Thank you. Visit the Library System website at www.BuffaloLib.org for updates on your freedom to read!
