Annual Report of the Director 2013
Dear Friend of the Buffalo & Erie County Public Libraries,

I would like to take this opportunity to express my sincere appreciation for your continued support of the Buffalo & Erie County Public Library System and its 37 libraries. Whether you consider yourself a regular or occasional library user, a traditional book reader or an eBook reader, someone who comes into libraries, visits us online or contacts us via telephone or electronically, we look forward to assisting you with your information needs. Our libraries provide access to a wide variety of resources, programs and services that enrich, enlighten and entertain.

The Buffalo & Erie County Public Library is deeply rooted and invested in Erie County’s vast communities. With your input, we build each library’s collection to meet your needs, and develop programs and services that reflect the uniqueness of your community.

In 2013, the Pew Research Center released information indicating that Americans strongly value the role of public libraries both for providing access to materials and resources, and for promoting literacy and improving the overall quality of life:

- 95% surveyed said public libraries are important because they promote literacy and a love of reading;
- 94% surveyed said having a public library improves the quality of life in a community;
- 81% surveyed said public libraries provide many services people would have a hard time finding elsewhere.

Here in Erie County, a November 2013 “Use and Perception” survey, conducted by Siena College Research Institute for the Library Foundation of Buffalo & Erie County, found that our local community also strongly values its public libraries:

- 88% of Erie County residents have a favorable opinion of Buffalo & Erie County Public Libraries;
- 73% of Erie County voters surveyed have a Library card.
I am proud to share the following statistics and successes from 2013:

- Library visits: 3.59+ million;

- Active Library Card holders: 290,251;

- Holdings: 2.6+ million;

- Items borrowed: 7,882,989;

- Public computer sessions: 874,815;

- Summer Reading: Nearly 17,000 local young people participated in the Library System’s free Summer Reading initiatives, reading 10,500 books and totaling nearly 900,000 minutes of reading;

- Value: For every $1 the Library received in funding from Erie County property taxpayers, a minimum of $6.29 went back into services;

- The Library System’s public website www.BuffaloLib.org underwent a complete revitalization and was moved to a new platform offering easier updates and better searching capabilities;

- Social networking has become a part of our daily lives. Libraries throughout the System are using social networking to connect with Erie County residents and beyond. The downtown Central Library and (System headquarters), maintained an active presence with 4,706 Facebook fans, 4,935 Twitter followers, 775 Pinterest followers, and over 69,270 Flickr views. The Library also expanded the use of its YouTube Channel, providing training videos and fun facts about the Library. Over 490 views occurred in 2013;

- Thirty-one libraries are fully functioning with RFID self-checkout technologies. Funding for this large project was provided through Erie County Fiscal Stability Authority (ECFSA) efficiency grants;

- All 37 Buffalo & Erie County Public Libraries offer free Wi-Fi which allows residents 24/7 - 365 access to high-speed Internet;

- Collaborations continued with our in-house (Central Library based) partners to fight illiteracy and spread the word about the importance of reading. In-house partners are: Literacy New York Buffalo-Niagara, Young Audiences of Western New York and Project Flight;
“I am glad that books are in the world”
~ Ashleigh M. of West Seneca, a winner in the contest “What my Library Means to Me…”

“I want to hug the library today and every day because libraries mean so much to me and my life.”
~ Ali B. of South Buffalo, a Hug Your Library participant

- Local partner collaborations continued and expanded. Partners include: Read to Succeed, SCORE, Small Business Association, Greater Buffalo Niagara Partnership, Buffalo State College, Erie County, Just Buffalo Literary Center, Buffalo Public Schools, Buffalo Museum of Science, Explore & More Children’s Museum, The Buffalo News, John R. Oishei Foundation, M&T Bank, City of Buffalo, Entercom Buffalo, Shea’s Performing Arts Center, Theatre of Youth, First Niagara Bank, Bistro Bookers, WGRZ-TV 2, Buffalo’s Canalside, among many others;

- We secured new employment training partners and increased programming efforts to reach adults seeking employment, using resources provided through a NYS Workforce Development grant;

- The Library System was awarded a New York State-funded multi-year invitational grant entitled The Family Literacy Library Services Program, with the theme “Summer Reading at New York Libraries through Public Library Systems;”

- Twenty-eight of our 37 libraries received NYS Senate “Bullet Aid” totaling $128,000;

- We continued to administer the 2012-2014 multi-year IMLS “Digitized Commons” grant, partnering with the University of Buffalo Center for Urban Studies, Cleveland State University’s Center for Public History & Digital Humanities, and Randforce Associates, LLC (total award $319,809);

- The Library received a Western New York Library Resources Council 2013 Regional Bibliographic Database Grant (RBDB) award to continue the digitization of Buffalo City Directories (total award $17,024);

- The Library remained committed to participation in the E-rate (Universal Service) Program which supports the Library’s fiber optic-wide area network and other telecommunications services. This will yield over $300,000 (59.2%) in estimated savings in the current funding cycle. Since 1998, savings to the Library, including commitments in the current funding cycle, have totaled $3.6 million.
“The Library is a House of Knowledge”
~ Gregory P. from Kenmore, a winner in the contest “What My Library Means to Me...”
Our libraries, your libraries are busy! Not a day goes by that you don’t see people using the Library as a gathering space. Over 9,500 free community programs, literacy initiatives and training classes were presented by the Library in 2013. echo Art Fair partnership
BPOvations music appreciation lecture Series

Thank you to the 1000+ people who came out in support of libraries for the “Hug Your Library” events in the summer. Together we spread the word that Libraries are worthwhile and provide value to the community. Your advocacy helps us to show others how essential libraries are. We believe libraries are about you and the community - individuals, families, neighborhoods, clubs, organizations, schools, colleges, businesses, community leaders, elected officials, etc.

Libraries are a place where everyone and anyone can come to discover, learn, explore and expand their horizons through the written, spoken and visual word. And libraries bring together people for learning and training, and to discuss and debate community issues and concerns, etc. No matter what is happening, anyone can get the information, services and the assistance they need from the public library.

The Buffalo & Erie County Public Library System and each of its 37 libraries have a proud tradition of serving all who enter – whether it be physically entering a building or visiting via telephone or virtually through the Internet. Each and every day we are grateful to serve you. Doing so would not be possible without our supporters, our skilled and dedicated staff, our 23 volunteer Boards of Trustees, our partners and through collaborations. We are thankful and appreciate the financial support provided by the taxpayers of Erie County, the generosity of our donors, and our elected officials. We are thankful for you. It is only with the dedication of all who help us that we can bring Erie County residents the library they rely on – and truly deserve.

Thank you all,

Mary Jean Jakubowski
Buffalo & Erie County Public Library Director
“My expectations of this class were exceeded.”
~ Training Lab attendee

“I learned how to use a computer through library classes. Now I come to the library regularly to use your computers.”
