POST YOUR SUMMER READING LIST!

Each year, the Buffalo & Erie County Public Library posts summer reading lists from area schools on its website, www.buffalolib.org. We invite you to submit your school's reading list for inclusion. Here is an example of last year's Summer Reading List: <http://www.buffalolib.org/content/all-about-reading/summer-reading-list>. Please email your list in PDF format to Kathryn Galvin at galvink@buffalolib.org. PDF's must be searchable to ensure accessibility. A PDF is searchable if a reader can invoke Ctrl F, type a word in the search box and use it to find the word in the document.

Please use this naming convention when sending in your school's reading list:
SCHOOL NAME - GRADE - 2018.

The reading lists should be received by **Monday, June 18, 2018** in order to be included.

Did you know that some reading list titles may also be available in downloadable audiobook and eBook formats? Check the Library's catalog to see what is available. A valid Buffalo and Erie County Public Library card is needed to download and borrow materials. If a copy is checked out a patron may place a request for that title.

Visit your local library or check the Buffalo & Erie County Public Library website, www.buffalolib.org for upcoming fun and entertaining library events for you and your students.

You can also follow the library on Facebook, Instagram and Twitter!
