Dear Parents / Guardians of English II Students:

Summer reading is part of West Senior’s English curriculum. Reading during the summer develops lifelong reading habits. Answering the analysis questions assists students in preparing for the New York State Common Core Regents Exam.

The reading choices for students entering English II are listed on the attached page and on the West Senior page of the district website. Students are required to read at least one book on the summer reading list and complete the Summer Reading Notes, which is also attached and posted on the district website. Students should read the book and complete the Summer Reading Notes by the last week of August and bring the completed assignment with them on the first day of school.

The Summer Reading Notes and other assignments related to the summer reading will be assessed during the opening weeks of the 2019-2020 academic year and will count in the first marking period. Students should be reminded that failure to complete summer reading will negatively affect their grade and possibly lead to academic eligibility issues. Please refer to the district website for more information regarding academic eligibility.

The books on the list cover a wide range of reading levels and genres. If your child needs help selecting a book that is appropriate, please have him/her talk to an English teacher or Mrs. Knaze before the end of school in June, or ask a librarian at the local library. Books may be obtained at the public library or purchased at a bookstore. In addition, books may be available in digital format or free on sites such as Project Gutenberg. Students will need to use their books to complete the Summer Reading Notes.

We believe this program will enhance our students’ reading skills. We appreciate your cooperation and look forward to an exciting and successful school year with your children.

Sincerely,

The Faculty of the West Seneca West English Department
