Public Access Computer Statistics

Footnotes

2009*

3/6/2009	System-Wide	System down in a.m. A determination was made that all PCs in the public venue will be counted as Internet-able PCs. All PC counts were updated in February 2009.
11/08 - 3/09	Orchard Park	On Going - Building Renovations 3 PAC's unavailable from 3/6/09 to present
10/4/2008	North Park	Library Closed
	City Branches & Central	A formula error from February 2007 was found when compiling February 2009 statistics. City Branches and Central's Year to Date figures were wrong and carried into 2008. In February 2009 the spreadsheets were corrected.

* Youth Resource Center computers were added to all locations during Fall 2001. These computers do not require registration before use and are not tracked in these statistics. Therefore, juvenile computer use statistics are underreported.

Elma Erroneously reported closing for Carpet installation in February 2009. Installation took place February 2008.

2008

	System-Wide	108 Computers added throughout the year.
3/18/2008	Alden	Use of Envisionware PC Reservation System replaces use of PAC-Man. Public Access Computer Statistics Reports from Erroneously show an increase in the number of computer sessions because multiple sessions by the same user on the same day are counted individually while in PAC-Man, they were counted as one session. Envisionware reporting is more accurate.
