June 2021

Dear Parents / Guardians of English I Students:

Summer reading is part of West Senior's English curriculum. Reading during the summer develops lifelong reading habits. Answering the analysis questions assists students in thinking critically about literature.

Due to the unprecedented COVID-19 pandemic and switch to distance learning, 2021 summer reading will be counted as extra credit.

The reading choices are listed on the attached page and on the West Senior page of the district website. To receive extra credit, students are required to read one book on the summer reading list and complete the Summer Reading Notes, which is also attached and posted on the district website. Students must turn in the Summer Reading Notes by September 10th to receive extra credit. Individual English teachers will apply the extra credit in the category which offers students the most beneficial boost to their first marking period average.

The books on the list cover a wide range of reading levels and genres. If your child needs help selecting a book that is appropriate, please have him/her talk to an English teacher or Mrs. Knaze, West Senior's school librarian, before the end of school in June. Students will need to use their books to complete the Summer Reading Notes.

There are many ways to obtain a book from the list. If students are interested in borrowing a book from West Senior's library, they should email Ms. Knaze (knaze@wscschools.org). Ms. Knaze will check the books out to students and will email them when they are available for pick up. Students may purchase the book from an online retailer or obtain it through the public library, depending on the availability of public services. An electronic copy of the book may be obtained using SORA, accessible through the West Senior library's web site <http://wswhs.wscschools.libguides.com/home>, and through the West Seneca Public Library's catalog of ebooks and via Overdrive https://bepl.ent.sirsi.net/client/en_US/default. We encourage students to reach out to their current English teacher or Ms. Knaze if they need assistance utilizing these resources. We believe this program will enhance our students' reading skills. We appreciate your cooperation and look forward to an exciting and successful school year with your children.

Sincerely,

The Faculty of the West Seneca West English Department
