How to use the hotspot

Turn on the hotspot by pressing the power button  until the screen reads **Welcome**.

It will stay on the Welcome screen for several minutes, then display connection information. It is now ready to connect to your device.

Connect your device by selecting the Wifi icon  in your device settings, then select the network named: **BECPL**. Once you enter the password: **librarywifi** you will then be connected.

Need more assistance?

Call us at 716-858-8900 and request a Book-a-Technology Trainer appointment!

Feedback or Suggestions?

Please fill out a brief survey at tinyurl.com/BECPLChrome
